

Information – Summer School 2025

Dear Parents,
Dear Legal Guardians,

Summer school 2025 takes place in the last two weeks of the summer holidays and gives children from 0-8th grade the chance to go over the work they have done in the last school year. Lessons are held in small groups.

Older children have the chance to get to know what it is like to be a teacher and take part in a full programme as a **'Buddy'**.

Summer school is free. You can register your child via the form you will get from your child's school. Please fill out the form and give it to your child's class teacher by the **28th of April 2025** at the latest.

You can see on the registration form if your child's school is a summer school or not. If not, it will tell you where the summer school for your child will be.
